

Code: **06C14**
Session type: **Local cross-border territories at the service of citizens**
Commission workshop
Thematic priority: Territorial Cooperation
Organisers: EUROMOT – European network of cross-border local authorities
Venue: European Commission, Centre Borschette
Date: Tuesday, 6 October
Time: 14h30 – 16h15
Language spoken/interpretation: EN FR DE

Description:

This workshop aims to exchange views on how cross-border territories can most benefit from the process of European integration. The challenges, in particular in relation to citizens services (transport, health, training), will be explored as well as the cross-border solutions which can be developed to find common responses to these problems.

Chair: Jose Palma-Andres, Director, Territorial Cooperation, DG REGIO

Speakers:

- Alain LAMASSOURE, MEP, Secretary of EUROMOT, Vice-president of Mission Opérationnelle Transfrontalière
- Representative of the EGTC Ister-Granum Euroregion (Hungarian-Slovakian border), Partner of the URBACT “EGTC” project
- Klaus BALDAUF, Responsible for international affairs of City of Frankfurt/Oder, Germany (German-Polish border), Representative of City Twins Association within EUROMOT
- Andy POLLAK, Director of the Center for Cross Border Studies, Northern Ireland (Republic of Ireland/Northern Irish border)
