Challenges & Opportunities

- Creation of new alliance
- Strengthening academic cooperation
- Promotion of stable research networks
- Seek opportunities in the framework of European Universities
- Strengthening student mobility, PDI and PAS
- Double degrees and co-tutored thesis
- Internship network
- Focus on young researchers by encouraging stays and joint projects.
- Develop a cross-border research chair

• Different Stages of maturity in cross-border cooperation
• Excessive bureaucracy
• Different academic cultures
• Difficulties of interlocution and Language
• Lack of awareness
